Sponsorship Proposal for ECDM'S Digital Agencies Roundtable

The Leaders of the Market in an open discussion

What are the issues that Digital Agencies are concerned with in Greece? What are the trends in this area and the outlook for the industry? These are some of the questions that will be answered by the leaders of leading Digital Agencies operating in the Greek market.

The event will take place on the afternoon of November 24, 2019 and will essentially be the closing of eCommerce & Digital Marketing Expo 2019.

The speeches will serve as a guide for the ensuing discussion, which will be attended by CEOs of some of Greece's leading Digital Agencies.

Attendees will also be able to participate in the discussion by asking questions to the panel participants.

This event aims to be developed into a stair, where the issues that concern the industry in Greece will be highlighted on a regular basis.

This year, for the first time, two important surveys will be presented as part of the event.

The first one, deals with the Digital Agencies sector, and were involved more than 250 companies of the industry. It was designed to map the sector that is constantly evolving.

The second one, concerns e-shops and its purpose was to map their needs in partnerships and services, in order to become more competitive and grow further, in Greece and abroad.

Last year's event was attended by more than 120 company representatives from Greece and the panel was attended by top executives: Konstantinos Theotokas, Atcom | Michalis Sarantinos, Steficon | Konstantinos Papadopoulos, Lighthouse | Panos Kontopoulos, Wedia | Stelios Eliakis, Slead.
