### About eCommerce & Digital Marketing Expo

The **eCommerce & Digital Marketing Expo** is a multi-level exhibition with **many parallel events**. Its purpose is to develop collaborations between web-dev companies, as well as digital ads businesses and eCommerce companies that are interested for Internet services and advertisement.

As an **exhibition event**, **ECDM Expo** offers to exhibitors the opportunity to get in touch with new **potential customers** from all over Greece and abroad, who are interested in finding a partner to improve their online presence and business. Also, to participate in an event that gives substance to the industry itself, which has shown impressive growth last years.

In addition, **ECDM Expo** is a unique opportunity for exhibitors to get in touch with potential partners from nearby business areas and to develop new partnerships in Greece and abroad.

At the same time, with their participation in this targeted event, the exhibitors are establishing and communicate their brand to thousands of visitors as big players in the industry.
